"Killed 4-10-17"

The initials should be W.E. A shell burst right alongside him and blew him all to pieces. We had to go on, so don't know anything further. I was just a few yards away and they sung out that Solomon was killed, the moment after. At Polygon Wood. Height 5ft. 7" and dark.

Killed 6/10/17

At Konnetoko, Broadsands Ridge during same attack as previous reports - on morning of 4/10/17. Saw his body in evening whilst carrying back a wounded man to Battalion Headquarters. Dead when seen, apparently killed by concussion as there were no visible marks. Do not know if buried, but in all probability would be by 1st Battalion who relieved us on 6/10/17. A personal friend - people live in Brisbane.
