AUSTRALIANS 51 TATHAM A. 3639

E.Aug. 14-16/16

He is a brother of W.J.Tatham (q.v.) He was killed at Pozieres in the first attack on 14th Aug. in No Man's Land. We could not hold the ground on that occasion and not 3% of the men killed would have been buried. I know Tatham's people well in Australia. They have already had such details as could be given.
