Re 357 Pte. C.E. Faull 25th Batn A.I.F. This man was my brother's batman and was killed with him on 14.11.16. at Flers. I have seen his grave which is on the field, and I am fairly certain it is registered as the people of that Dept., have been all over the place. As far as I can remember he was a man of about 5'9" age about 40 years slight grey moustache and signwriter by trade. I am afraid these are about all the particulars I can give you and only hope they will be of some use.

Healy was afriend of mine. I made special enquiries and found that his ~~brother~~ body was left behind and unlikely to be buried. His brother Michael who was then Q.M.Sgt. and is now either R.S.M. or 2/Lieut. can give all available information about both the above. Faull was batman to Lieut. Healy. I was at the time L/Sgt. in charge of medical details.
