"Died of Wounds 2-7-17"

In answer to your enquiry slip of 7-6-18. We regret that the fact of his name being on the list from September (on the Supplement) 1917 to June 1918 did not bring us in any information at all. Any information such as that given by L/Cpl R.A. Williams we would be glad to have on a white slip separate from the inquiry slip so that we might file it with our reports and not have to type an extract from it.
