"Missing 11.4.17."

I am sure he is Prisoner of War. His name is Frank. His people live in Barracky South via Wedderburn, Victoria. He started in a Victorian Battn. but got sick and was landed at Fremantle and joined the 20th Rfts there. He was well and with the working party at Marquion.

Witness:-
Pte. Stewart. 6214.
16th Battn.
(Escaped Prisoner of War)

NOTE Witness was clear and quite reliable in his information. In all cases Pte. Stewart was able to supply the rank, number or initial of the missing man. He gave most of the information from memory as he feared to raise suspicion by attempting to compile a complete list from his fellow captives. Naturally he only knew a small percentage of them, but his memory seemed excellent and he was most anxious to supply all possible information. I understand a full report of Pte. Stewart's and L/Cpl. Parsons' experiences has been sent to Australia by Lieut. Col. Murdoch.
