"I am feeling much better since I wrote last but there is still room for improvement. I have been getting medicine through from Mrs. R. Bromley, Devonport, for which I am most thankful and it is doing me good. I have been getting my parcels fairly regular. I am very backward in getting my mail. I am very proud of our Red Cross and the good Ladies who are working for our welfare".

Vivian Donald, 5654.

"Prisoner of War."

Interned Munster III.

I have a bad heart, and my nerves are shaken very badly, and again I have an inward complaint of which I cannot describe but it affects my back and kidneys terribly., This is my trouble described to the best of my ability. It is a grand thing for we boys in this position to know that we have someone only too willing and waiting to help us with a good heart.
