Pte. (L/Cpl.)
Reuben Henry
DYER.

At VILLE-SUR-ANCRE near ALBERT on the night of 14th/15th June this N.C.O. was a member of a raiding party consisting of 1 Offr. and 48 O.R's.

M.M.

DYER as No.1 of a Lewis gun team took up a position with his gun and by well directed covering fire inflicted casualties on the retreating enemy, and later prevented enemy reinforcements from coming up.

Although wounded he engaged an enemy M.G. which was very active against the raiders and successfully neutralized its fire.

On returning to our lines he was again wounded.

He displayed great courage and initiative.
