

9th Battalion

41

Staff  
Serjt.  
Major.  
(now  
2/Lt.)

STEELE, A.

Staff Serjeant-Major Steele manned his machine gun and maintained his position from Sunday, 25th April, until the morning of the 29th April. His conduct was especially noticeable in that he manned and worked his gun after the remainder of his section were either killed or wounded. (Reported by Major Salisbury.)
