Private.

J.C. Vaughan.  
(12th Battn).

For excellent service as a bomb thrower at Lone Pine on the night of the 9th. As he was about to throw a bomb two of the enemy's bombs fell close to him; He threw his own, then one of the enemy's bombs (which burst on leaving his hand) and another the second with a sand bag. At this time the trench was fully held and his gallant action prevented serious losses.
