Raiding showed great resource and daring Noise rendering orders impossible he kept carrying orders to the N.C.O.'s in charge under fire and when wounded by a bomb refused to return to our lines. He carried on bombing shelters and was largely instrumental in capturing 8 prisoners When carrying orders to withdraw he was again wounded but completed his task He then collapsed and had to be carried back from the wire. His daring and trustworthy repitition of orders were of the greatest value	19/6/18.		
Bois-de-Vaire	294	Cpl	Bishop Ernest Edward	C	Lt Col H.H. Crowther D.S.O.	For conspicuous bravery and valuable service during a raid on Bois-de-Vaire on 15th June 1918 These two N.C.O.'s after successfully leading their section through the objective and completing their task brought their party back to the assembly point in back. There they were informed that the Platoon Sgt was lying wounded in the objective now 150 Yards behind them. Realising that his capture would be of value to the enemy they put a covering party out and returned to find him After some search under heavy machine gun fire from a flank they found the wounded Sergeant and carried him back to our lines thereby saving their Comrade and denying the enemy identification	19/6/18.
