Private (L/Corporal)
William Roy Sharp
DRUMMOND.

A.I.F.

At HAMEL near AMIKES on night of 7/8th July, 1918, during a minor enterprise, nearly all other H.C.O's in the platoon were killed or wounded.

Lance/Corporal DRUMMOND took charge of the remainder and re-organized the platoon and led them to the objective. He also did good work with the wounded and showed great coolness and initiative throughout the operation.
