Lieutenant Colonel E. J. H. Hicholson, D.S.O., A.E., was in charge of the repairs of "FABIN ROAD and all forward roads used by 1st Anzac Corps during the YPRES battle of 30th September 1917. This officer, by his example and inordinate energy and disregard of danger kept repair work going throughout the battle. Though the whole of the roads were under a heavy shell fire our communications were kept passable throughout the day. Cpl. Green of "FABIN ROAD was awarded a bar to his D.S.O. by Field Marshal Haig.
