REMARKS, giving a concise statement of services performed.

has very ably filled the position of Senior Surgeon to No. 14th Australian General Hospital and acted as Consulting Surgeon to the A.I.F. in Egypt since his arrival in Egypt on 19.2.16. During most of this time the accommodation of the hospital was taxed to its utmost and the Surgical Staff depleted through the even more urgent demands of the Medical side. In this period of adversity Lt. Col. has set an example by his devotion to duty and ability in the face of difficulties, which inspired the Officers and men under him.
