From Sgt K Thompson

To C.O 8 Aust Field Ambulance,

I beg to recommend No 11 Lce/pe Herbert Vincent Berry for the excellent work he performed while on duty at No 4 Post. [illegible]

He assisted me greatly in the despatching of stretcher-squads & attending to wounded, being under heavy shell fire for a period of 48 hours on the 24/25 Nov 1916.

K.T. Thompson
