No. 838. Serjeant John Ware ROBINSON, 3rd Australian Light Horse  
Field Ambulance.

For gallantry and marked devotion to duty during and after the battle of MAGHDABA on 23rd December, 1916. He was conspicuous in his efforts at the successful collection of wounded during and after the battle. But for his untiring and successful efforts many wounded would have undoubtedly been left out overnight. Also at the battle of RAFA on 9th January, 1917, this non-commissioned officer displayed great devotion to duty and rendered splendid service in the collection of wounded under fire. Both in the Field and in Camp he has displayed marked ability as Transport Serjeant.
