	4 th Light Horse Field Ambulance		Major Ernest Kent PARRY.	During the operations October to December 1917 this officer commanded The 4 th Light Horse Field Ambulance. The able manner in which he organised his unit on the long lines of communications and evacuated sick and wounded with the least possible delay and with every comfort, was exceptionally noticeable. Through difficult night marches and long marches his wagons and echelon of camels were always at hand; and the initiative displayed when lines of communications were hampered was very creditable.	W.
