 WILLIAM HENRY
 STOREY (D.C.M.)

On 1.5.1918 near the DIST-ED-
 DANIELH - ESALT ROAD, during the
 retirement of the 18th he went
 back to try and gain touch
 with some missing men and
 animals. Although he could
 see the enemy coming he went
 on till almost surrounded and
 had great difficulty in escaping
 and had to run the gamut
 of rifle and H.E. fire. He
 rendered valuable service
 throughout the operations 29.4.18
 to 4.5.18 and set a splendid
 example to the rest of the unit
 by his cool behaviour under
 fire and devotion to duty
 at all times.
