From C.O. 1<sup>st</sup> Bn

With reference to the Raid carried out by a party from the 1<sup>st</sup> Bn night 28/29<sup>th</sup> inst.

I beg to enclose list in duplicate of Officers and men considered worthy of special mention and I also make the following recommendations in connection therewith.

- ✓ Captain P. L. HOWELL-PRICE to be awarded the D. S. O. -  
He has been 3 times mentioned in despatches for work in Gallipoli and has received no award.
- ✓ 2<sup>nd</sup> Lieut. H. H. MOFFAT to be awarded the Military Cross
- ✓ 2<sup>nd</sup> Lieut. B. G. LITTLER to be awarded the Military Cross
- ✓ N<sup>o</sup> 3550 Serg<sup>t</sup> G. E. WELLS to be awarded the D. C. M.
- ✓ N<sup>o</sup> 2197 C/Corp<sup>e</sup> L. G. SPINKS Special Mention
- ✓ N<sup>o</sup> 4448 C/Corp<sup>e</sup> T. R. WILKINSON Special Mention

All the work was specially hazardous on account of the enemy being close with artillery opening fire at once and of the long bombardment which took place afterwards in which a lot of the Officers and men were wounded.
