2 2 12 Cap.	14th Australian Light Trench Mortar Battery. (Seconded from 54th Battalion).		Lieutenant James BURHS.	During the operation near MORLANGOURT, South West of MLBERF carried out on 29th July 1918, this Officer took three mortars over in the assault and showed great coolness and skill under very heavy fire. He had his guns in action three minutes after reaching the objective and formed a block in the enemy communication trench, thus enabling our men to carry out the work of consolidation without interference from the enemy. His cheerful indifference to shell fire set a fine example to his men.	J.C. STEWART. Brig-Gen. Comdng., l4th Aust.Inf. Brigade.	in Corps Orders.
