

1st Anzac Corps, 3rd April, 1917.

My dear Horse,

Still further troubles about these wretched honours. Can you send me privately the names of any officers, whom you can specially and confidently recommend for anything, in our Nos 1. and 2. Casualty Clearing Stations with 2nd Army. I cannot get further names out of the Army, but if you will tell me whom you think I could put forward, I will do so direct to the Military Secretary. The 2nd Army, as far as I am aware, are submitting the names of only one officer and one M.C.O.

Yours ever,
