	5th. D.A.C.		Captain Brunel Robert LAW	<p>Has served continuously with the 5th Australian D.A.C. since April 1916, and has shown himself at all times to be an officer possessing considerable ability besides a most marked and noticable devotion to duty and loyalty to his unit of a very high order indeed.</p> <p>During the last YPRES offensive he established dumps ahead of the guns with most marked success. This was particularly noticable at the White Chateau Dump, which he started and maintained as a forward supply depot. This dump was often very heavily shelled and bombed, and it was entirely due to this officers example, leadership and devotion to duty, that the supply of ammunition was never stopped.</p> <p>He has a long record of steady and faithful work, in this unit, carried out often at great personal risk.</p>	<p><i>William C.
