	2nd A.S. Battalion.	2132	SGT. MORRIS JOSEPH	<u>BRavery.</u> During the period 12/11/17 to 2/1/18 while the Battalion were in the line in HARNETON Sector the NCO. was in charge of Battalion Reconnaissance and fighting patrol each night. By his utter disregard of danger he was able to instill the fighting spirit into all men of the patrols and on many occasions led his patrol right into enemy's wire and brought back most accurate reports on condition of the wire and ground. He had on these occasions several encounters with enemy patrols but on each occasion they quickly withdrew. Owing to this NCO's efforts entirely we were able to gain complete mastery of Porto man's Land.	Morris
