C U R R I E, D.S.O.

For gallantry and devotion to duty.
Lieut. Colonel CURRIE has commanded the
23th Battalion since 23rd March 1913 in the
following actions :-

MORLANCOURT - June 10/11th, 1913.

Daylight Operations
VILLERS BRETONNEUX - July 31st 1913.

Operations East of
AMiens - Aug. 3th to Oct. 1st
1913.

C.E.G.

Since the MENIN Road action on September
20th 1917, it has been the practice in this
Brigade for the Officer who was at the time in
Command (either the C.O. or Second in Command)
to proceed with the Battalion into the attack.
Lieut. Colonel P. CURRIE, DSO, has always done
this when commanding the Battalion in the
attack, and by his presence, personal direc-
tion, and gallantry, has largely increased the
fighting efficiency of his Battalion and
ensured the success of the operations. His
services generally have been most valuable to
his side.
