	31st. Battn.	5286	(Private) L/Corporal Arthur William ROLLS.	This man is a Company runner and did splendid work during the attack on the HINDENBURG line at BELLICOURT on 29.9.1918. He carried several important messages from his Company to Battalion Headquarters under heavy shell fire, and displayed the greatest courage under trying circumstances. It was largely owing to his splendid work that communication was maintained throughout the attack between his Company and Battalion H.Q.			

I CERTIFY that the number, rank and name of the abovementioned N. C. O. have been checked with Battalion records and found correct in every respect.
