	32nd.Battln. A.I.F.	4299.	Temporary Corporal (Lance Corporal) Moritz Wilfred HEUZENROEDER.	During the operations of this Battalion near BELLICOURT between the 29th.September/1st. October 1918 Temp/Corporal Heuzenroeder displayed much gallantry, skill and initiative. On the morning of ~~2nd~~ 30th.September when the Battalion was attacking he was acting as Platoon Commander, his Officer having been wounded earlier in the operations. 1/Cpl. Heuzenroeder by his fine example and qualities of leadership at once secured the confidence of the whole of the platoon. He rallied his men and while accomplishing the difficult task of retaining connection with units on the flanks got the platoon well forward and took up a splendid position at the objective. His promptness and skill in so doing contributed to the success of the attack and both then and subsequently saved many casualties; the work of 1/Cpl. Heuzenroeder was so good that his Coy. Commander retained his services in charge of the platoon although there was a senior N.C.O. available.		M.M. & Bar	

I certify that the Reg.No., Rank and designation as set out and referring to the abovementioned soldier is correct according to the Battalion Nominal roll.
