	32nd.Battln. A.I.F.	4294	Private Michael HANRAHAN.	During the operations from before BELLICOURT to beyond JONCOURT between 29th.August/1st. October No.4294 Pte. Hanrahan showed the greatest courage and devotion to duty. He was a stretcher bearer and during the whole period his untiring services to all wounded not only of his own Company but any others he met with were remarkable and praisworthy in the highest degree. On the afternoon of the 30th. September he attended many of the English wounded in the vicinity, under very heavy shell and machine gun fire. On the same day when his own Battalion attacked from north of MAGNY LA FOSSE towards JONCOURT, Private Hanrahan was observed to remain practically in the open and attend to four comrades who were wounded while advancing and afterwards carry them under fire to an R.A.P. This gallant action has a wonderful moral effect on the men of his Company and considerably encouraged them into dangerous work they had to perform.		~~D.C.M.~~ M.M.	

I certify that the Reg.No., Rank and designation as set out and referring to the abovementioned soldier is correct according to the Battalion Nominal Roll.
