- Captain Harold  
Frank DUNSTAN.

- 2 -

Officer in Charge of the party. Throughout these two days Captain DUNSTAN by his example and force of character animated and upheld the men under him and inculcated in them a devotion to duty and disregard of personal safety, similar to his own.

This Officer has previously done excellent work particularly when in an Advanced Dressing Station at Charing Cross during the MESSEIN 3 Battle 6.6.17 to 11.6.17 and when acting as Regimental Medical Officer. His conduct throughout has been excellent and that of a soldier and has proved a fine example to all who have come in contact with him.
