Colonel (T/Brig-Gen)
 James Harold
CANBAN, C.B., C.M.G.

For conspicuous ability and continued good service in command of the 11th Australian Infantry Brigade since the formation of the Division.

This Officer has led his Brigade with marked success, both in BELGIUM and FRANCE. At MESSINES in June, 1917, and at PASSCHENDAELE in October, 1917, his tenacity, thoroughness and efficient organisation contributed largely to the success of his Brigade in regaining BELGIAN territory from the enemy.

During recent operations on the SOMME, he has again displayed splendid qualities of leadership, and his personal gallantry and devotion to duty have inspired his men in further successful fighting. -

Major General,
 G.O.C. Third Australian Division
