

Div'l. Engineers

~~XXXX~~

1st Australian

1st Anzac

4th October 1917.

3rd Australian 219
Field Company
Engineers.

2nd Corporal John
Daniel MOLONEY.

During the operations east of YPRES on 20th Sept. C.R.E. Military
1917 this N.C.O. was engaged on the construction 1st Aust. Medal.
of a strong point and showed most conspicuous Division.
bravery, cheerfulness and untiring energy. He
personally salvaged material from around old Ger-
man works for use in the construction of his
strong point. When the point was subjected to
heavy shell fire he was continually moving
around repairing damage done, showing an utter
disregard of personal risk throughout.

3rd Australian 1080
Field Company
Engineers.

Corporal Malcolm
McKENZIE.

During the operations east of YPRES on 20th C.R.E., Military
Sept., 1917 he was engaged on the construction 1st Aust. Medal.
of a strong point and detailed to take charge Division.
of a party to erect wire entanglements. He
organised his party and carried up tools and
stores from BOOGE. After completing this work
he assisted with the work on the point itself.
He showed marked ability and disregard of danger
and his work was of the highest order.
