	28th Bn. A.I.F.	5790	Corporal Frank BAILEY.	For conspicuous gallantry and devotion to duty. On the 3rd May 1917 during the first attack on the HINDENBURG LINE East of BULLECOURT, he worked without ceasing, to keep the bomb supply going, and showed absolute disregard for personal safety in doing so. During the second attack, he was one of the leaders, throwing his bombs with judgment and skill, thereby inflicting casualties on the enemy, and driving them out. When the enemy counter-attacked, he fought stubbornly every yard of trench, and only fell back when forced by weight of numbers. He showed a fine example to his men.	[illegible]	Belgian Military Decoration.
