	14th Batt- alion A.I.F.	676	Corporal Hugh Alexander ANDERSON	During the operations near ZONNEBEKE on 26th Sep- tember, 1917, Corporal ANDERSON displayed great skill and courage. As assistant to the Officer directing the attack he rendered great assistance in checking bearings. When within sight of the final objective an enemy Post was doing serious damage, Corporal ANDERSON collected the men nearest to him and attacked this Post, killing or taking prisoners the inmates. Later his work as leader of patrols was invaluable and his courage and determination throughout the operations a splendid example.	Lieut-Colonel. Commanding 14th Battalion A.I.F.	mm sm mg
