(9 33 21) W 3707—598 500m 7/16 H W V [E. 195.] Forms/W. 3121/3

Army Form W. 3121.

Brigade. 4th Australian Division. None Corps. Date of Recommendation. 5th February 1917.

Schedule No. (to be left blank)	Unit	Regtl. No.	Rank and Name	Action for which commended	Recommended by	Honour or Reward	(To be left blank)
	12th Field Co. Aus. Engineers		Major Consett Carre RIDDELL	General good and conscientious work for the past two years at Gallipoli, Egypt and France. At POZIERES on 9 - 8 - 16 whilst engaged on important work in the front line, he was buried and wounded and severely shell shocked. Notwithstanding this he was back at his work next day. His personal organisation of work on the Guedecourt front during January, 1917 has been excellent, and has gone far to further the progress made.	C.R.E. 4th Aus. Div'n.	M.C.	4
	12th Field Co. 22 Aus. Engineers		Sergeant George ~~XXXXXXXX~~ PENTLAND	When in charge of a survey party at POZIERES on 26-8-16 although the whole party was wounded and partially buried by shells he assisted to dig out buried and wounded men, took the latter to a place of safety, and though slightly wounded himself completed a very accurate survey. The party were under very heavy shell fire the whole time. (Previously recommended for Croix de Guerre.)	C.R.E. 4th Aus. Div'n.	M.C.	Yes Bronze Medal
	13th Field Co. 6106 Aus. Engineers.		Cpl (T. Sgt.) Sinclair CLARK.	He has done consistent good work especially under heavy shell fire. At POZIERES he constructed a very well concealed M. G. position in a captured trench which was of great assistance to the Infantry in the counter attack of 4/5 Aug. After his section was relieved he remained several hours and rescued wounded. His skilful handling of infantry working parties on night work has been excellent and the example set by him did much towards progress on work.	C.R.E. 4th Aus. Div'n.	M.C.
