	5th L. H. Regiment	2880	Signaller CHARLES RAYMOND HOPKINS	At ES SALT on the 2nd May 1918 This Signaller again rendered the valuable Service. He was attached to a troop which was ordered to take up a position well in advance of the line after dark, and it was important that telephonic com- munication should be established between this troop and Regimental Headquarters. Communication was established under trying and hazardous conditions. This Signaller has twice previously been recommended for his good work, during the November operations and again at ARMAN. Upon this last occasion Signaller Hopkins displayed marked devotion to duty, and great personal courage.	James C. Cameron Colony, C. L. N. 1st Brig. Genl. Commanding 2nd. Light Horse Bde.	M. M.
