	5th. Light Horse Regt.	84.	Corporal. PERCY RUDKIN.	On the 26th March at GAZA this N.C.O. was in charge of the "point" of the troop that raided the Turkish Artillery Observation Post at Sheikh Redwan to the North of GAZA. He so skillfully approached the Post that the Observers were surprised before they could get away or damage their instruments. Observers and Instruments were captured. Three Machine guns then opened on the party, but they got away with their captures. This N.C.O.'s work has been consistently good throughout his long service with the Regiment.	 Comm. of 5th. L. H. Regt, A.I.F.
