

Lieutenant-Colonel Thomas John TODD, D.S.O., 10th Australian
Light Horse Regiment.

For gallantry and devotion to duty. His untiring zeal on behalf of his regiment and brigade has, at all times, been most marked and both on 26th March and 19th April, 1917, during the GAZA operations he lead his regiment with great skill and coolness until severely wounded in the later operations. His great keenness and cheerfulness as well as his fine example, as always, had the marked effect on the men under his command.
