Dear Sir You ask for any particulars regarding our deceased son, Sgt Arthur Edward Stewart 750. 25th Battalion. very little information came through to us. but we know from the men in his company that he did his work thoroughly & was liked by both officers & men. We heard from several of the men that he had received his commission & we know it had been promised him. his Colonel assured us, that had he come through Pozieres he would have got it, & when he asked if his name had been mentioned for it, he said that was true. Colonel Walker was his name. In a letter written by Captain Monish who was killed later, he said that Sgt Stewart had his men splendidly under control & although an officer was present Sgt Stewart was practically in charge. We have the letter here & would gladly send it you. assured that we could have it returned. He had been about 11 weeks in hospital after his first wound. He had been about 11 weeks in hospital after his first wound. On Gallipoli in which case I should love to see you. I think every man did his best in his sphere & must so on.
