

CQ18 Local Accommodation Options

22 Jan 2018

This information sheet has information about a selection of accommodation in and around all the towns along the route for those who are looking for accommodation other than camping at the event campsite. There may also be other options available, please call the local tourist information centre for extra advice.

Bicycle Queensland offers the *Easy Campese* tent option (see separate Info Sheet) and are delighted to work with AllTrails who are offering their AllTrails Luxury Package – refer to <http://www.alltrails.com.au> . Any other accommodation is your own matter and Bicycle Queensland has no part in such arrangements and **cannot provide transport to and from any accommodation** you arrange privately. Our experience is that it will be difficult to locate accommodation for short stays in some towns, given the event program on top of the normal load from industry that some regional towns are experiencing.
