

**Roll of Honour Nomination**

A person is placed on the ACA Roll of Honour for long and valuable service to campdrafting in general as well as to ACA.

Roll of Honour recipients are people who have made outstanding contributions to the sport of campdrafting and ACA over a period of time.

The Roll of Honour provision is covered under item 6.2 in the Constitution, which states ‘to be awarded the honour the management committee must carry a special resolution to approve of the recipient.’

The Constitution defines a ‘special resolution’ as ‘a resolution passed at a meeting of the association by 75% of the members who are present and entitled to vote on the resolution’.
