### DESCRIPTION

For 50 years Captain Cook Cruises has been in the business of making family memories and our Top Deck Lunch on the water will be the purveyor of many, many more. This lunch cruise with a view features 3-course à la carte dining and contemporary Australian cuisine. Our chef's local seafood selection is a guest favourite, as are our tender Australian beef steaks.

There is a reason this lunch takes place on the upper restaurant deck of our most prestigious cruise ship MV Sydney 2000. These Harbour views while floating across Sydney Harbour don't get much more premium than this.

Welcome aboard to our Top Deck Lunch experience.
