## SEE THE FULL FOOD & DRINKS MENU AND ORDER THROUGH OUR SMART MENU

We've changed our system to reduce waiting times and minimise contact. Now all orders must go through our mobile smart menu.

1. Point your phone camera to the code and click on the link that pops up
2. Add items to the cart and proceed to payment
3. Your order will arrive at your table within minutes

Make sure you put your table number and all guests order within three minutes. That way orders are batched and arrive at the same time.
