

Watch your design materialise in Corian®

WITH CORIAN® CUSTOM WASHPLANES,
THERE IS NO SUCH THING AS COMPROMISE.

Our current washplane collection is just a starting point. We can create shapes to your exact specifications, giving you the freedom to realise your own design in Corian®. This new offer is perfect for any residential or public bathroom, where having that unique design in the bathroom space is important to you and your client.

A blend of acrylic polymer and natural minerals, Corian® solid surface is completely non-porous. And your choice of washplane can be effortlessly incorporated into a Corian® surface in one continuous, seamless design. This means the entire area is resistant to stains, dirt, germs and mildew, making it easy to clean.
