Mao's Last Dancer Exhibition: Immigration Museum Melbourne

The exhibition, which includes a large selection of paintings and sculptures, is a celebration of the innovative artist and his genius. It is a testament to the power of art to inspire and provoke thought and reflection, and to the enduring impact of the work of great artists.

Tony Ellwood, bestriding the world. Erudite now on view at MoMA at NGV: 130 years of Modern and Contemporary Art

The exhibition features a large selection of works from the collection, including paintings, sculptures, and installations. It is a must-see for anyone interested in the history of modern and contemporary art, or for those who are looking for a deeper understanding of the development of art in the 20th and 21st centuries.

The classic styled heritage house Alliance Francaise & La Fete de la Musique, Melbourne, 2018

The exhibition starts with the preparation drawings, which were completed by the artist. These drawings show the artist's vision for the final works, and provide a glimpse into the creative process behind the art. The exhibition is a testament to the artist's skill and dedication, and is a must-see for anyone interested in the world of art.
