

HOW TO UPLOAD YOUR VIDEO TO YOUR EMAIL FOOTER

For Gmail Accounts

1. We've emailed you a 'still image of your video', along with a web link to your video. Please save your 'video still image' onto your desktop.
2. Next, open your internet browser and go to your Gmail account. Click on the Gear icon at the top right of your screen. Then click on Settings.

3. This screen will appear. Scroll down to the Signature box. Click on the Insert Image icon and select your 'video still image' (that you saved earlier onto your desktop).

4. Now select your 'video still image' by clicking on it. Then click on the Link icon.
