You will be advised in writing of the process to have your fingerprints taken after your application is lodged. An appointment must be made before attending a police station to have your fingerprints taken for the purpose of this licence. You should read the mandatory fingerprinting privacy information statement attached to this application.

Already fingerprinted

While you have a current licence under the *Security Providers Act 1993* you only need to have your fingerprints taken once. This applies even if you apply for any additional security licences.

However, you do need to give your fingerprints again if you have had them taken for another reason. For instance, you may have been fingerprinted if you hold a gaming or weapons licence or hold a blue card.

Mandatory fingerprinting privacy statement

Under the *Security Providers Act 1993* (the Act), the Office of Fair Trading requires your fingerprints to be taken to confirm your identity and to undertake ongoing probity checks under section 20 of the Act.

Your fingerprints will be taken by specially trained Queensland Police Service staff who are authorised to do so. Once your fingerprints are taken, they will be securely stored by the Queensland Police Service Fingerprint Bureau. Your fingerprints will also be uploaded onto the National Automated Fingerprint Identification System (NAFIS). NAFIS is operated and secured by CrimTrac, the Australian Government agency that also provides the criminal history search service. As a Commonwealth agency, CrimTrac must operate in accordance with the Commonwealth *Privacy Act 1988*.

Criminal History Checks will still be conducted on every licensee and any additional names identified by the initial fingerprint identification process will also have criminal history searches conducted against them.

Ongoing probity checks will be performed daily by comparing fingerprints stored on NAFIS against unidentified latent fingerprints from unsolved crime scenes. This is in addition to overnight matching of licence details against the Queensland Police Service database to determine if a licensee has been charged with a disqualifying offence.

Fingerprint records will also be available to other police services in Australia. However, your fingerprints will **NOT** be available to the Office of Fair Trading.

As your fingerprints are only required while your security provider licence is current, once your licence ceases, because it has expired, the application has been withdrawn or the Chief Executive has cancelled your licence or has refused to renew your licence, your fingerprints will be destroyed. The fingerprint records to be destroyed will only be the fingerprints taken as part of the security provider licence process. The destruction will include the copy stored at the Fingerprint Bureau and the security provider licence fingerprint record stored on NAFIS. The destruction will be performed by two highly qualified fingerprint specialists and will be done in the presence of a Justice of the Peace. Destruction will be scheduled automatically after all appeal rights are exhausted. You will not have to request to have this done.
