Build Your Club

From starting a new club, through to member protection, managing volunteers and running club business, we've got the resources you need, all in one place.

Build Your Club

This is the place to find everything you need to now about successfully starting and running a club.

Clubhouse booklets, and templates

The Department of Western Australia has developed a series of well-researched, yet simple to follow resource booklets, including advice, how-tos, checklists and templates to give you guidance and help on everything from starting a new club and setting up a committee, right through to sponsorship and fundraising, and marketing and promoting your club. We're working with you to help clubs become better managers, most sustainable and provide quality services to members and participants.

 Being Inclusive 1 booklet 1 template	 Coaches and Officials 3 booklets

KidSport

KidSport online registration update

The deadline for Clubs to register to be a part of KidSport has now been extended to 31 March, 2014.

We encourage all to register and provide detail as soon as possible, but in listening to views of many the date has been extended out.

Post 31 March, clubs not registered on the system will be unable to have vouchers processed.

Overview

KidSport enables Western Australian children to participate in community sport and recreation, no matter their financial circumstances. Eligible youth aged 5–18 years can apply for financial assistance to contribute towards club fees. The fees will go directly to the registered KidSport clubs through their participating local government. While the primary objective of KidSport is to ensure all Western Australian children can participate in sport and recreation clubs, its secondary objective is to engage these children and their families in the community.

Welcome To Club Talk Support

If you are trying to build a Comfy Page website or want to promote your club using Social Media, you will find solutions to many of your hurdles here.

Participants in the [Clubs-Online](#) program can also get FREE support. If you attend a *live training* you can email through your challenge. We will figure out the steps, post an answer into the [library](#) and send you a link. [Support](#) is currently provided by Club Talk presenters *Sandra Morley* and *Nik Peran*.

You can also download the latest version of the course manuals at any time. Just click the links in the left sidebar. Based on your needs we will continue to develop tutorials on how to build a great web presence. And throughout 2014 you'll get much more information to help you with Social Media.

This is a joint effort between the [Department of Sport & Recreation](#) in WA and [Challenger TAFE](#).

Cyber Safety

- Consider your digital reputation. What would a prospective employer think of your images / posts?
- Remember that NOTHING on the internet can be permanently deleted
- 'Sexting' is sending or being in possession of an inappropriate sexualised image of a person under the age of 18 years. This is a criminal offence in WA and, if prosecuted, can result in a person being on the sex offenders list

Cyber Safety

Cyber bullying includes but is not limited to:

- harassing, teasing, intimidating or threatening another person via electronic means
- sending or posting inappropriate digital pictures or images, email /instant / phone / text messages, or website postings (including social network sites ie Facebook or blogs) and is irrespective of whether the page could be viewed by the wider public or not

Cyber Safety

- An excellent site dedicated to Cyber Safety:

www.cybersmart.gov.au

1. Engage positively
2. Know your online world
3. Choose consciously

Cyber Safety

1. Engage positively

- Respect the rights of others to participate and have an opinion
- Ask before tagging other people or posting photos
- Report suspicious or illegal content
- Stand up and speak out about cyberbullying.
- Don't respond to hurtful or nasty comments. Block and report
- Encourage your kids to speak to you or trusted adult about upsetting online experiences.

Cyber Safety

2. Know your online world

- Learn how new skills will help you explore the online world
- Recognise online risks and how to manage them
- Look out for suspicious emails and scams
- Use secure websites for financial and retail services
- Keep passwords secret, strong and unique

Cyber Safety

3. Choose consciously

- Set your privacy and security properties and check them regularly
- Choose your friends wisely. Not everybody online is who they claim to be
- Think before you post - what you do online can affect your whole world (images, statuses, comments etc)
- Consider others and your actions - ask for permission if it's not your content/image
- Be careful opening a message if you don't know the sender
- Decide if you really want your location displayed by your devices or apps

Glossary

Using Tools to Enhance Business Practices

Covered in this workshop:

Assigning roles at your club (share the load, have a succession plan)

Efficiency in administration tasks and communication (create a generic email account for each office bearer for example president.myclub@gmail.com)

This step will help preserve your clubs email history

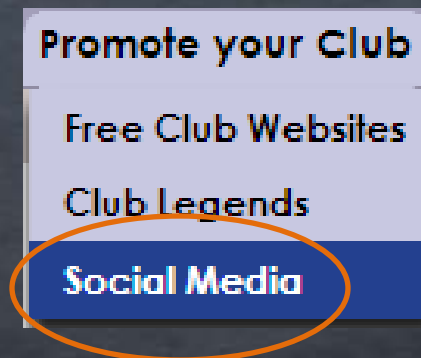

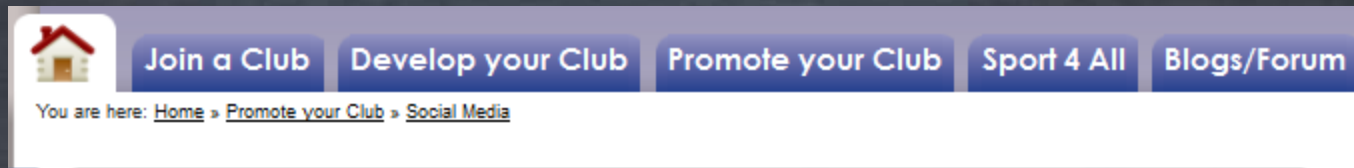

Organising meetings (use Google's free calendar and maps to share your clubs events, meetings and fixtures with the committee and members)

Online document storage (non critical files and information)

Data storage and productivity suites (Drop Box or Google drive)

Social Media

- Use Social Media to promote your club and create a club community
- Be discerning, have a goal of what your club wants to achieve by using social media

Social Media

Research Social Media case studies for other sporting clubs

Promote your Club

Free Club Websites

Club Legends

Social Media

Club case studies

There are many sporting clubs and associations in WA that have jumped on board the social media bandwagon.

ClubsOnline spoke with four clubs about what they have experienced so far in their dealings with social media (Facebook and Twitter in particular), and you can see what they had to say by clicking on the following case studies:

- [Kingsley Woodvale Cricket Club](#)
- [Peppars Softball Club](#)
- [Primal Ultimate Flying Disc Club](#)
- [West Coast Cowan Amateur Football Club](#)

"50% of fans spend more time watching and following their respective leagues now than they did prior to their social media engagement"

"Social media platforms also give clubs insights into their fan base [...] – very valuable insight when it comes to sponsor deals, TV rights and even merchandise sales"

ClubsOnline

Building stronger, healthier, happier and safer communities.

Social Media Resources

Social Media guidelines and best practice for sporting and recreation clubs.

Social Media Resources

Looking for a **Social Media Policy** for your club?

Using Social Media to promote your club is a great way to utilise new digital communication technologies, but clubs need to be sure they, and their members, are using it appropriately.

Legalities of Social Media

Social Media issues from a Western Australian legal perspective, courtesy of the WA Sports Federation e-newsletter.

Play By The Rules

A great communication and technology policy for sporting and recreation clubs.

Social Media Good Practice Guide

England Netball's Social Media Good Practice Guide, with advice, guidance and recommendations for coaches, volunteers, officials, umpires and designated officers.

Sport New Zealand - Social Media Game Plan

A nine-step introduction to social media for (NZ) sports bodies

Social Media Policies should cover:

- Member interaction (Acceptable language and acceptable topics)
- Communication with minors (under 18's). All communication should be via their parent or guardian
- An appointed office bearer for each social media application (Website, Facebook, Twitter)
- Proof the appointed persons have read and understand your club policies prior to taking on the position
- Signed and dated documentation to confirm this understanding.

Why have a Facebook Page?

Facebook can be used to:

- Advertise club registration days
- Promote fund raising projects for new greens, uniforms, equipment
- Acknowledge sponsors of grants, donations and equipment

Posts from:

- Team coaches
- Equipment maintenance and care
- Training sessions
- Healthy eating tips, recipes

Your Club Facebook page will:

- Provide page visitors with a perception of your club culture
- Require continual moderation, scrutiny and management by an appointed club official (in accordance with the club social media policy)
- Reflect your minors social media policy which should include parents/guardians permission to post photos (custody, VRO's, internet predators)

What is Twitter and how is it useful?

- Twitter is an information network made up of 140-character messages called Tweets
- Will require management by an appointed club official in accordance with your club social media policy
- Stream Club Tweets to your Club website and Facebook page

What is Twitter and how is it useful?

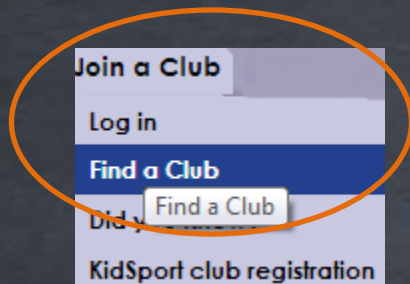

- Twitter allows you to selectively receive the news that interests your club
 - Department of Sport and Recreation (Grants) - @dsrwa
 - Lottery west (Grants) - @lotterywest
 - Your parent organisation - @clubsonlinewa
 - Your Australian team - @Fremantle_FC
- Retweet (Forward) this information on to club members and fans

What is Twitter and how is it useful?

- Create a new Tweet to share current club information with members and fans (change of venue, fixtures changed or cancelled)
- Members and fans can Retweet a club Tweet to friends and family, sharing (advertising) club information with a wider audience

Is your club registered on the DSR database?

"GSB NEWS"

We're looking at expanding our range of shooting styles at the club by setting up a Forrest/3D course soon suitable for Crossbows and Vertical Bows. If you think you can assist us with getting together stuffing materials, wool bales, grain or feed bags, or even help in setting up some suitable targets, we will have another meeting after the next club shoot on the 2nd Sept to discuss it. See you there.

Best Regards,

Darren O'Shea
Club President
