ABOUT THE ARTIST AND ARTWORK

Belinda Bonney is a Meintangk/Boandik/Ngarrindjeri/ Kooma, Murriwarri woman. Belinda was born in Blacktown in Sydney in 1977 and grew up in Mount Gambier on Boandik Country.

The development of the Yerkalalpata Reconciliation Action Plan for the City of Mount Gambier, created a fantastic opportunity to feature and celebrate Belinda's work as a local Aboriginal artist. Belinda was commissioned by the City of Mount Gambier and the Riddoch Art Gallery to create an artwork that interprets the theme of reconciliation.

Belinda's artwork is titled 'Reconciliation of the Nation: we all walk together as one'.

Belinda introduces this artwork as follows:

"At the centre of the artwork, the circle represents the unity between all Australians.

The snake stands for the transformation within our society to reconcile equally, with all Australians working together with a greater understanding of all cultures and traditions. The snake also represents our spiritual connection to our people's lands and waterways to keep them strong and thriving for all generations to follow.

The blue lines represent our waterways that need great healing so they can be replenished for our people and our animals.

The black and white lines represent community and camp sites that connect our waters and the hands represent equality between all Australians".

VISION FOR RECONCILIATION

Working together with our Aboriginal and Torres Strait Islander communities, the City of Mount Gambier has the following vision for reconciliation:

- **A society free of racism and prejudice** where Aboriginal and Torres Strait Islander peoples feel a strong sense of belonging and are able to participate fully in the life of our community.
- **A city which supports expressions of cultural identity**, where cultural practices, traditional sites and significant places are acknowledged, celebrated and preserved.
- **A community characterised by social justice** which advocates for enriching the lives of Aboriginal and Torres Strait Islander peoples.

This vision was originally written as part of a Statement of Commitment to Aboriginal and Torres Strait Islander Communities presented as part of the official unfurling of the Aboriginal and Torres Strait Islander Flags for permanent display in the Council Chamber in 2014.

OVERVIEW

Mount Gambier is home to over 27,000 people and has an Aboriginal and Torres Strait Islander population of 2.2% (591 people) which is below the regional average in South Australia of 4.1%.

The city provides much needed services to the regions of South East South Australia and Western Victoria, including important health care and cultural services for First Nations Peoples through the presence of agencies such as Pangula Mannamurna Aboriginal Corporation and Burrandies Aboriginal Corporation.

The Council, which consists of our Mayor and eight Elected Members, first endorsed the development of a RAP in 2014 as part of the delivery of a series of commitments to our Aboriginal and Torres Strait Islander communities.

The City of Mount Gambier supports participation and engagement for all members of the community in all aspects of community life. Within our organisation we are committed to continued learning, and providing ongoing learning opportunities for our staff, elected members, volunteers and our community.

Yerkalalpata is Bunganditj (reclaimed Boandik language) for 'leading the way' and is an appropriate title for The Council's Reconciliation Action Plan. The use of Bunganditj language has been highlighted as an important aspect of our work in reconciliation and is achieved through the approval of our Elders and the Bunganditj Language Reclamation Committee.

As an organisation employing almost 150 people across at least 8 distinct work sites, the Council recognises the opportunity to create meaningful change within its own workplace culture, programming and service delivery, whilst also demonstrating leadership to our broader community to take positive steps towards reconciliation.

The Council currently lacks clarity regarding the number of Aboriginal and Torres Strait Islander staff employed within the organisation, but this is something that, through the delivery of the actions within the Reconciliation Action Plan (RAP), we hope to determine.

The City of Mount Gambier is committed to building community capacity and increasing social inclusion for all within the Aboriginal and Torres Strait Islander community. The Council endorsed the development of a Reconciliation Action Plan (RAP) in order to identify measurable guidelines which will assist in best realising our shared commitment to our Aboriginal and Torres Strait Islander Communities.

OUR RECONCILIATION ACTION PLAN

The City of Mount Gambier Reconciliation Action Plan (RAP) will focus on strengthening positive relationships, acknowledging and respecting Aboriginal and Torres Strait Islander cultures, and providing opportunities to ensure that our First Nations peoples have the same life opportunities as other Australians.

Work on the RAP commenced in 2015 with a series of workshops delivered in conjunction with Reconciliation South Australia, Boandik Elders and Aboriginal and Torres Strait Islander representatives of a range of sectors including justice, education, culture and health. At this stage, a RAP Focus Group was formed, which also incorporated the participation of CEO's from both local Aboriginal Controlled Organisations (Pangula Mannamurna and Burrandies).

Staff representing the Office of the CEO, General Managers, City Infrastructure, Environmental Sustainability, Library Services and Community Development have participated in the RAP Focus Group since its commencement and will continue to advocate for the RAP through its delivery.

The following community members are acknowledged for their participation in the RAP Focus Group and their contribution to defining the objectives of this document:

- Aunty Penny Bonney
- Aunty Valda Brennan
- Uncle Mikey Hartman
- Mark Lovett
- Hanna Persello
- Robyn Campbell
- Andrew Birtwistle-Smith
- Peter May
- Kathy Watson
- Jason Bonney
- Mariah Unmeopa
- Shekinah Horsburgh

OUR RAP CHAMPIONS

To advance the development of an implementation of our RAP, each of our three General Managers have been appointed as RAP Champions.

Through this role, each RAP Champion will work to raise awareness of the vision and objectives of our RAP and ensure that its actions create meaningful change within each portfolio.

Our RAP Champions include:

- Barbara Cernovskis – General Manager, Community Wellbeing
- Judy Nagy – General Manager, City Growth
- Nick Serle – General Manager, City Infrastructure

The appointment of each General Manager to this role highlights the strong organisational commitment to the RAP and its deliverables. As the delivery of actions within Reconciliation Action Plan proceeds, other staff who identify interest in leading particular sections of activity may be co-opted as additional RAP Champions.

MESSAGE FROM OUR MAYOR

It is with great pride that I present the inaugural Reconciliation Action Plan for the City of Mount Gambier.

I would like to recognise our Boandik Elders, Aboriginal and Torres Strait Islander community representatives and members of Council's Reconciliation Action Plan Focus Group who have guided the creation of this plan. Thank you for walking alongside Council as we build greater awareness and understanding as an organisation in our shared journey towards reconciliation.

For me personally, it has been a rewarding experience working alongside our Aboriginal and Torres Strait Islander community members and being able to participate in events during my first term as Mayor.

This important document has been many years in the making and I also acknowledge both the current and previous members of Council for their unwavering commitment to its development.

Our Reconciliation Action Plan responds to the clear expectations of our community that we lead by example. The actions detailed within the Plan

provide us with a mandate to apply a lens to every part of our role and function as an organisation, ensuring our work is underpinned by social justice, equity and respect.

Above all, the plan ensures that we continue to acknowledge, respect and celebrate the incredibly important contribution that our Aboriginal and Torres Strait Islander peoples have played, and will continue to play within our community. I invite our community to read, reflect and support the initiatives in the plan as we work together to further Mount Gambier as an inclusive city where people lead fulfilling lives.

MESSAGE FROM OUR CHIEF EXECUTIVE OFFICER

This is the inaugural Reconciliation Action Plan for the City of Mount Gambier and I am pleased to see the shared aspirations of our Mayor and Council, our staff and our broader community realised through the launch of such an important document.

This plan is the result of many years of listening, learning and evolving as an organisation and has been carefully guided by our Boandik Elders and members of Council's Reconciliation Action Plan Focus Group. I would like to acknowledge this work and thank all contributors for their efforts in achieving this significant milestone.

The initiatives within our RAP are underpinned by our commitment to furthering Mount Gambier as an inclusive city and a place where all members of our community lead fulfilling lives. The actions within will enhance our capacity to acknowledge and celebrate our rich cultural heritage, whilst also meeting nationally recognised best practice in building greater equity for our Aboriginal and Torres Strait Islander peoples.

Over the coming years, reconciliation will continue to be closely considered in all aspects of our work as an organisation. We will review and improve our internal systems, enhance our programming and service delivery and continually improve our cultural awareness and understanding.

It is my great pleasure to commend this Reconciliation Action Plan to you.

Andrew Meddle
CHIEF EXECUTIVE OFFICER
CITY OF MOUNT GAMBIER

MESSAGE FROM RECONCILIATION AUSTRALIA

Reconciliation Australia is delighted to welcome the City of Mount Gambier to the Reconciliation Action Plan (RAP) program by formally endorsing its inaugural Innovate RAP.

As a member of the RAP community, the City of Mount Gambier joins over 1,000 dedicated corporate, government, and not-for-profit organisations that have formally committed to reconciliation through the RAP program since its inception in 2006. RAP organisations across Australia are turning good intentions into positive actions, helping to build higher trust, lower prejudice, and increase pride in Aboriginal and Torres Strait Islander cultures.

Reconciliation is no one single issue or agenda. Based on international research and benchmarking, Reconciliation Australia defines and measures reconciliation through five critical dimensions: race relations; equality and equity, institutional integrity; unity; and historical acceptance. All sections of the community—governments, civil society, the private sector, and Aboriginal and Torres Strait Islander communities—have a role to play to progress these dimensions.

The RAP program provides a framework for organisations to advance reconciliation within their spheres of influence. This Innovate RAP provides the City of Mount Gambier with the key steps to establish its own unique approach to reconciliation. Through implementing an Innovate RAP, the City of Mount Gambier will develop its approach to driving reconciliation through its business activities, services and programs, and develop mutually beneficial relationships with Aboriginal and Torres Strait Islander stakeholders.

We wish the City of Mount Gambier well as it explores and establishes its own unique approach to reconciliation.

We encourage the City of Mount Gambier to embrace this journey with open hearts and minds, to grow from the challenges, and to build on its successes. As the Council for Aboriginal Reconciliation reminded the nation in its final report:

“Reconciliation is hard work—it’s a long, winding and corrugated road, not a broad, paved highway. Determination and effort at all levels of government and in all sections of the community will be essential to make reconciliation a reality.”

On behalf of Reconciliation Australia, I commend the City of Mount Gambier on its first RAP, and look forward to following its ongoing reconciliation journey

Karen Mundine
CHIEF EXECUTIVE OFFICER
RECONCILIATION AUSTRALIA
