

## Add Parent Lounge icon to Home screen (Android)

Follow this guide to create a shortcut to the Parent Lounge login screen on your Home Screen.

1. Firstly, open your Internet browser.

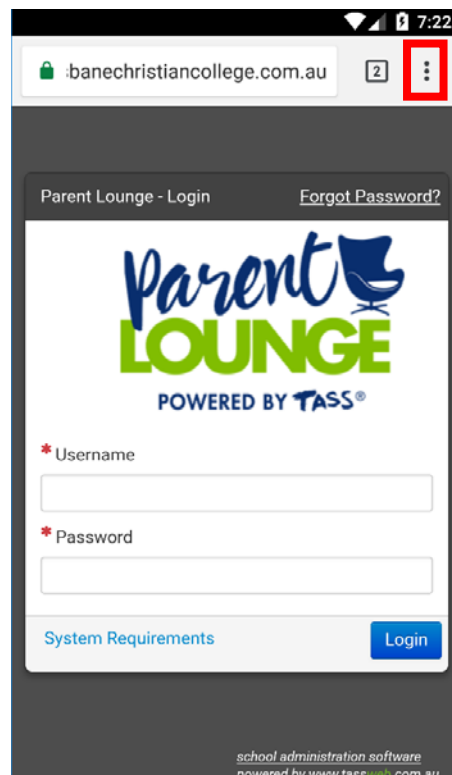

2. In the URL bar, type [online.brisbanechristiancollege.com.au](http://online.brisbanechristiancollege.com.au) and then click the enter arrow.

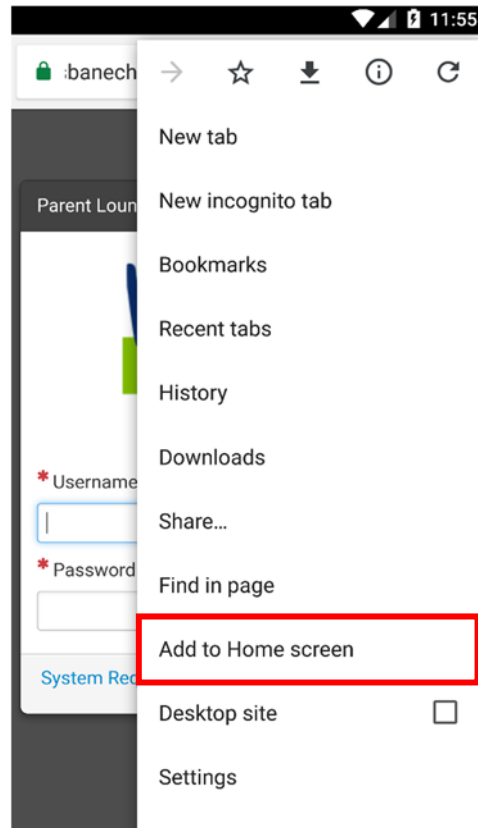

3. Once the page has loaded, you should see the College Home page. From here, select parent lounge.

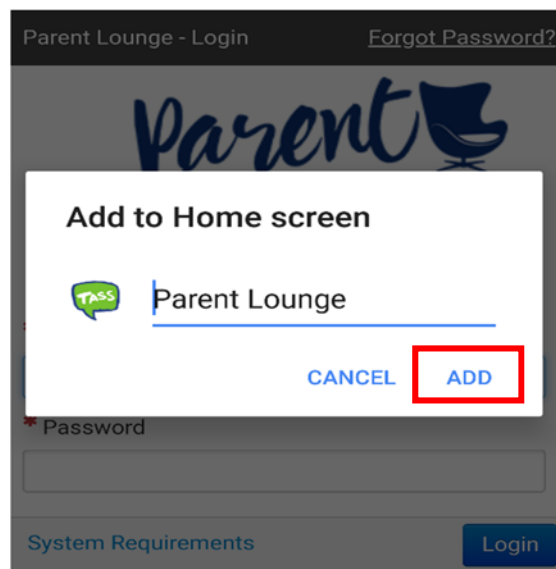

4. You should now see the Parent Lounge login screen. Click on the three dots and the top right of the screen, this will give you some options.

5. Out of the given options, select Add to Home screen.

6. Name the shortcut and then select add.

7. You will now see the shortcut on your Home Screen.
