

Works Notice

September 2019

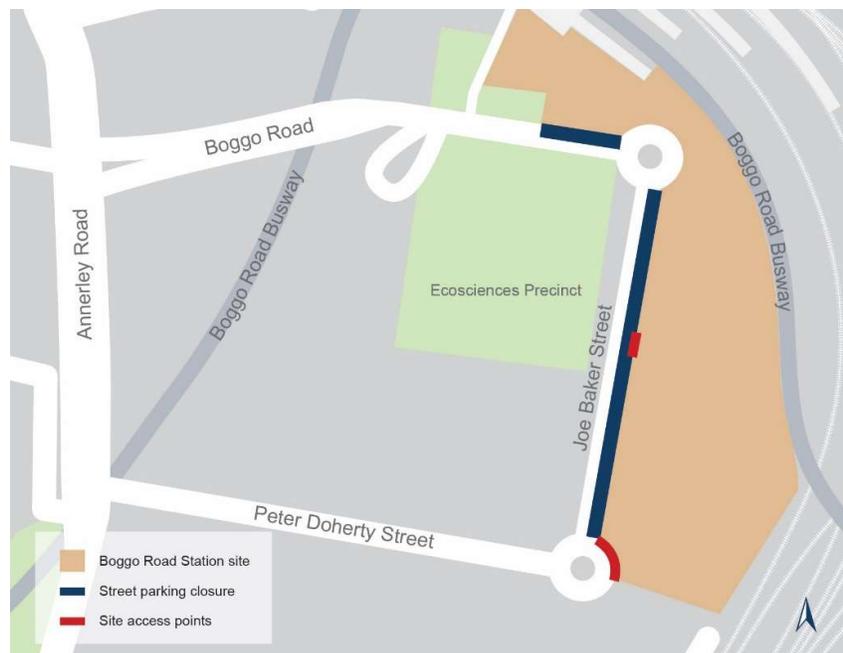

Joe Baker Street and Boggo Road - Parking and pedestrian changes

From Monday 30 September 2019, changes will be made progressively to car parking and pedestrian movements along Boggo Road and Joe Baker Street to enable construction of the new Boggo Road station as part of the Cross River Rail project.

Details of work

Site establishment activities have started in preparation for construction of the new Boggo Road station as part of the Cross River Rail project. Activities will be undertaken progressively from Monday 30 September 2019 will include:

- intermittent changes to the footpath on Joe Baker Street adjacent to the station site to allow construction access points to be built
- intermittent interruptions to traffic flow under the direction of Traffic Control Officers
- from mid-October, removal of parking (see map below) to allow the installation of site fencing to provide a safe environment for the public and workers.

Temporary traffic changes on Joe Baker Street – early 2020

As we progress construction of the Boggo Road station, there will be additional traffic and access changes required at the Boggo Road end of Joe Baker Street. As part of these changes, Joe Baker Street will temporarily become one-way to traffic. More details about these traffic changes will be provided early next year, prior to these works starting.

What to expect

- Work will mostly be carried out between 6.30am and 6.30pm, Monday to Saturday. However, some work may be required at night due to traffic restrictions and to maintain the safety of the community and our workers. We will notify nearby residents of night works.
- During work, nearby businesses and residents may experience an increase in workers, noise and dust.
- While pedestrian changes and traffic delays should be minor, traffic control officers will be in place where required to maintain the safety of road users, the community and workers.
- Work is subject to relevant approvals and suitable weather conditions.

Workers may arrive onsite one hour prior to the planned start time to prepare for the day's activities.

Every effort will be made to keep disruption to a minimum for residents and businesses in close proximity to the project site. We appreciate your patience during construction and will continue to update you as work progresses.

Project information

The Cross River Rail Tunnel and Stations contractor CBGU D&C JV will deliver the underground tunnel and four new underground stations at Boggo Road, Woolloongabba, Albert Street, Roma Street and an upgrade to the Dutton Park station.

Subscribing to receive Project Updates is a convenient way to obtain information about the project and work happening in your area. To subscribe, simply visit the Cross River Rail website and look for the 'Connect with us' page.
