

Works Notice

October 2019

Fairfield – geotechnical investigations Saturday 9 to Sunday 10 November 2019

Fairfield station geotechnical investigations will be undertaken on Saturday 9 and Sunday 10 November to prepare for construction of the Cross River Rail project. Temporary lane closures will be in place on Mildmay Street and Equity Street. Select car park spaces on Lagonda Street will be closed from 6:00pm Friday 9 until 6:30am Monday 11 November.

What to expect

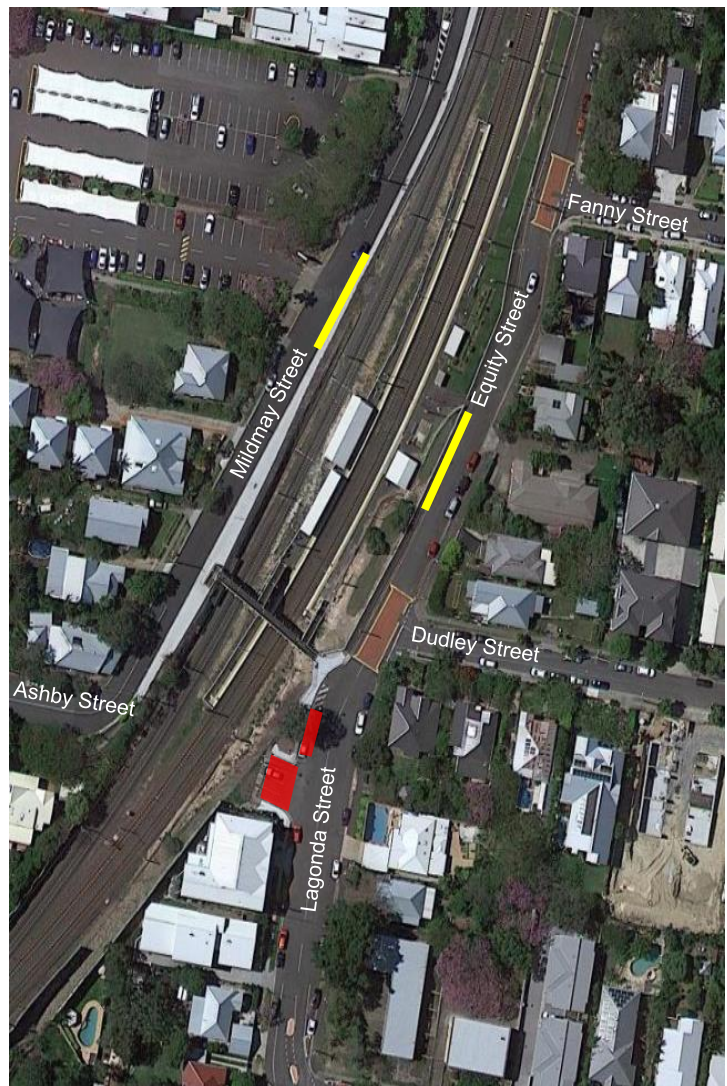

This work will be undertaken from 6:30am to 6:30pm and you may notice some minor disruptions such as:

- Temporary closure of six commuter car parks on Lagonda Street. Vehicles must be removed from these spaces by 6:00pm Friday 8 November.
- Traffic temporarily reduced to a single lane two-way arrangement with traffic control on Mildmay Street near Ashby Street
- Traffic temporarily reduced to a single lane two-way arrangement with traffic control on Equity Street between Dudley and Fanny Streets
- Increased levels of localised noise and dust from the use of machinery such as drill rigs, vacuum excavation trucks and excavators
- Increased construction vehicle movements on local roads adjacent to the project corridor.

In the event of delay, this work will be undertaken on the next available day shift.

Access to properties will be maintained at all times.

Every effort will be made to keep disruption to a minimum. We appreciate your patience during the construction period and will continue to update you as work progresses.

 Car spaces temporarily closed
