

Works Notice

January 2020

Joe Baker Street – utility relocation work

In preparation for construction in 2020, the Cross River Rail project team will relocate existing utility infrastructure along Joe Baker Street and Boggo Road including telecommunications, electricity, gas, water and sewer.

Details of work

From mid January 2020, utility relocation work will commence on both Joe Baker Street and Boggo Road and will continue for approximately six weeks. Some of these works are being performed progressively by the utility asset owner/s and will include:

Location	Date and hours of work	Type of work
Joe Baker Street and Boggo Road Telstra relocation works	Mid January to late February 2020. Intermittent from 6.30am to 6.30pm, Monday to Saturday.	<ul style="list-style-type: none"> Trenching and installing new telecommunication pits and conduit on the western side of Joe Baker Street and Boggo Road Threading and connecting new telecommunication cables.
Joe Baker Street and Boggo Road Energex cabling work	During January 2020. Intermittent from 6.30am to 6.30pm, Monday to Saturday.	<ul style="list-style-type: none"> Threading and connecting new cables Installation of a new power source in the new temporary Outlook Park.
Joe Baker Street and Boggo Road APA gas relocation works	During February 2020. Intermittent from 6.30am to 6.30pm, Monday to Saturday.	<ul style="list-style-type: none"> Trenching and installing a new gas main on the western side of Joe Baker Street including a crossing of Joe Baker Street and Boggo Road.
Joe Baker Street and Boggo Road Water and sewer infrastructure relocation works	During February 2020. Intermittent from 6.30am to 6.30pm, Monday to Saturday.	<ul style="list-style-type: none"> Trenching and installing new water and sewer pipelines on the western side of Joe Baker Street including a crossing of Joe Baker Street and Boggo Road.

What to expect

Some traffic and pedestrian changes will occur during these activities (see map overleaf for further details) which include:

- stop/slow traffic control along Boggo Road and Joe Baker Street
- intermittent pedestrian access changes along Joe Baker Street
- intermittent closure of some car parking spaces on the northern end of Joe Baker Street.

Access to businesses and properties will be maintained at all times. Some work may be required at night due to traffic restrictions and to maintain the safety of the community and our workers. We will notify nearby residents of upcoming night works.

During these activities, you may notice some minor disruptions such as:

- increased levels of localised noise and dust from the use of machinery such as excavators, concrete saw, vacuum trucks, trucks, asphalt placement compaction roller, plate compactors and specialist vehicles for treading and connection works
- increased construction vehicle movements on local roads and around the work area
- delivery of plant, materials and equipment to the work area.

Workers may arrive onsite one hour prior to the planned start time to prepare for the day's activities.

Service interruptions

Any service interruptions as part of this work will be notified to affected properties by utility asset owners prior to any outages. Planned and emergency service outages can also be monitored through service providers' websites:

Energex: energex.com.au/home/power-outages/planned-maintenance-outages

Telstra: outages.telstra.com.au

Queensland Urban Utilities (QUU): urbanutilities.com.au/faults-and-interruptions

Project information

The Cross River Rail Tunnel and Stations contractor CBGU D&C JV will deliver the underground tunnel and four new underground stations at Boggo Road, Woollongabba, Albert Street, Roma Street and an upgrade to the Dutton Park station.

Subscribing to receive Project Updates and information on construction works is a convenient way to keep up to date with the project and work happening in your area. To subscribe, simply visit the Cross River Rail website and look for the subscription area at the bottom of every page.
